

Amedisys has provided alternate-site health care services for more than two decades and has gained a reputation as the nation's leader in the industry. The Company provides services in more than 500 locations across the United States and Puerto Rico.

Through internal growth, acquisitions, and an unwavering commitment to excellent clinical care and premier service, Amedisys seeks to become the provider of choice in each and every community we serve.

We believe in the future of home health and hospice services and know that by providing the highest quality of care for patients, constantly improving efficiencies, and remaining on the cutting edge of technology and innovation, we will capture greater market share.
